

Finding Dingestow Village Hall

Dingestow is about 4 miles west of Monmouth. Although it is near the A40 there is no junction from that road near the village, so avoid using the A40 from either Monmouth or Raglan.

The hall is on the main road through Dingestow village and there is a car park directly opposite the hall, on the other side of the road.

Dingestow Village Hall, postcode NP25 4BH can be found on [Google maps](#) or What3Words [///forgets.turkeys.connected](#) (the car park entrance).

From the southeast, go through Mitchel Troy. After the built up area, take the left fork signed Dingestow (rather than going on to the A40). After 1.4 miles turn right onto a smaller road, signed to Dingestow (with a caravan sign). (The turning is opposite a bus stop and a farm entrance.) Pass under the A40 into Dingestow. The hall is on the left, before the caravan park (look for the notice board, post office sign and bus stop). The car park is opposite on the right.

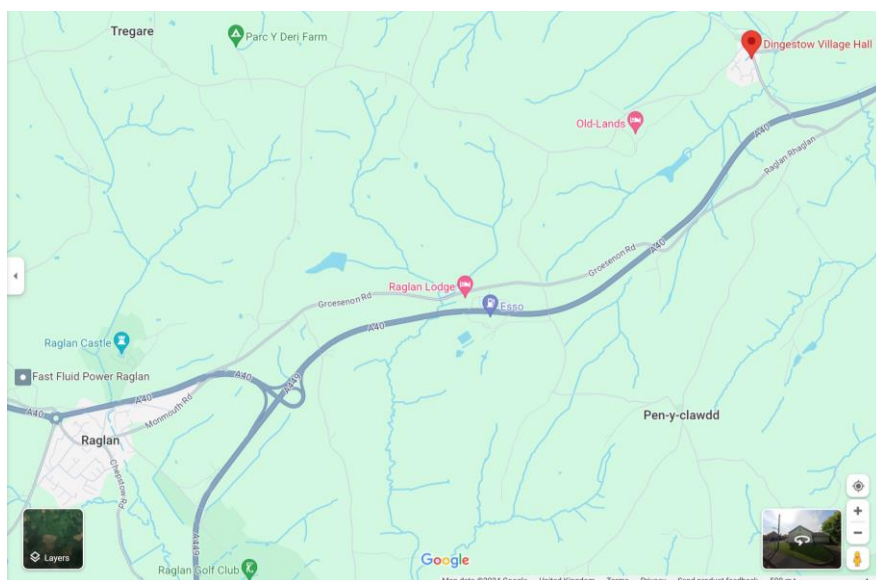

From the east, from Monmouth, take the Wonastow Road, which enters Dingestow at the caravan park. Turn left, then immediately left into the car park.

From the south on the A449 at Raglan take the A40 and then almost immediately right to follow the sign to Mitchel Troy/Dingestow (with a caravan sign) - this is Groesnon Road (then see below)

From the west, come off the A40 at Raglan on the road signed to Raglan/Mitchel Troy then take the left road towards Mitchel Troy - this is Groesnon Road (then see below)

From Raglan follow Groesnon Road for 3 miles (passing under the A40) then take the left turn signed to Dingestow (with a camping sign).

(The turn is opposite a bus stop and a farm entrance.) The road passes back under the A40 and into Dingestow. The hall is on the left, before you reach the caravan park (look for the notice board, post office sign and bus stop). The car park is opposite on the right.

From the north, if you aren't familiar with the country roads it is easiest to make your way to Monmouth or Raglan and follow one of the routes above.
